Hi Lana,

Thank you for all of your help and bearing our organisational skills. The venue looked amazing, thanks for adding all of the Christmas decorations that we required for our theme. Staff were terrific and the food was perfect, everyone had an amazing night (From what we can remember :))!!

Thanks so much!

Hi Lana,

Please pass on thanks to those who were working on the night all very friendly and did a great job! Everyone commented on how good the venue was - plenty of seating as well for the oldies so they were kept happy Many of the guests not only drank from the bar tab but brought many skittletinti's, def a favourite! The food went down well and all the equipment for speeches etc was there for use so couldnt be happier with how the night went :) The only down part was the awful hangover experienced come sunday haha thanks for helping us to organise a great night

Thanks,

TESTIMONIALS

Hi Lana

Just want to say thanks for all your help organising The Branch for my 30th - was a really good night and the guy who played was sensational! The venue was exactly what we were after, laid back so everyone could just enjoy a few beers and listen to great acoustic.

Thanks again, we will be back.

Hi Lana,

Apologies for the late feedback.

We had a great celebration at The Branch and are impressed that the whole thing went so brilliantly. An enormous thank you to all the staff working at the party and your help in getting us organised for the event. Everyone was delighted with the venue and the exceptional hospitality by all the friendly staff, especially Anna. We were well looked after and our guests were very happy.

Thank you.
